R.E. curriculum workshops  
for primary school children

## WHO WE ARE

**Inspire** are an enthusiastic Derby-based Christian Limited Company and registered Charity passionate about presenting Christian R.E. to primary school children in dynamic and innovative ways.

Established in 2003, **Inspire** has continued to be well received by the schools we visit. We have a wealth of experience in working with children in both schools and churches and **Inspire** comes highly recommended by teachers & heads from across the city and shire.

## WHAT WE DO

**Inspire** plans and delivers tailored workshops that explore aspects of the Christian faith in lively, interactive and creative ways. **Inspire** would hope to challenge children's thinking, stimulate questions and provide opportunities to explore answers.

We at **Inspire** believe we are a useful resource in the delivery of the RE curriculum as our work is planned with reference to the City and County agreed syllabus.

## HOW YOU CAN HELP...

Inspire seeks to deliver a professional job and needs continuity of staffing to maintain this standard. We have never charged schools for our services, but instead rely on the financial support of local Christians and churches.

Inspire continues to impact both the children and teaching staff by what we do and we are welcomed back again and again to schools who have experienced our workshops. But, in this time of extremely tight school budgets, our suggested donation to cover workshops costs of £2 per child can sometimes be an obstacle.

### Please consider supporting Inspire financially:

Inspire is a registered charity supported by voluntary donations. Schools are invited to make donations to cover workshops costs, but R.E. Budgets are not huge!

Inspire has a number of regular donors already, which is brilliant, but, to continue our work and develop the ministry, we need to cover the shortfall caused by stringent school budgets. We don't want to miss even a single opportunity to explain more of the Christian faith in schools through lack of funds.

### Please consider supporting Inspire prayerfully:

Inspire is a Christian Limited Company passionate about presenting the Christian aspects of the R.E. Syllabus to Primary schools in and around Derby.

To fulfil our many challenging, wonderful opportunities to encourage children to explore, think about and express their response to Christian beliefs, we are reassured and blessed to have a support team of local praying Christians who receive regular updates and information from us.
